(512) 420-2224 Front Office

Directions to Pondworks/Austin Oaks

Details about finding us:

- Sometimes new visitors have trouble finding our office! Please allow a few extra minutes the first time you come. If you are lost, call **(512) 420-2224**.
- Pondworks' GPS Coordinates:

type	Latitude	Longitude
DD	30.3623441	-97.7486361
DMS	N 30° 21' 44.439"	W 97° 44' 55.089"

- Austin Oaks office complex—just west of the intersection of Mopac/Loop 1 and Spicewood Springs Road.

- Executive Center Drive runs parallel to Spicewood Springs Road, a block to the south.
- Our building is the middle of three buildings, on the north/Spicewood Springs side of Executive Center Drive, between Wood Hollow Drive and Hart Lane.
- “3636 Executive Center Drive” = “Building 8” = “Colorado Building”
- The “G” in our address refers to being on the “Ground” floor, the floor below the 1st floor.
- If you use the main building entrance, on the south side of the building, you will enter on the 1st floor. Please to take the elevator down to the ground floor. The main entrance is wheelchair accessible.
- The entrances on the east, north, and west sides of the building are all on the ground floor (not wheelchair accessible).
- The simplest way is to park and use the entrance on the north/Spicewood Springs of the building. After entering through that door, turn left and walk all the way to the end of the hallway. We are the last office on the left.
